

Caesar Guerini Trap Challenge

Celebrating the life of Kevin Gill

5th May – 7th May

V1.0

Anglo Italian Arms, Caesar Guerini, Eley Hawk & East Yorkshire Clay Shooting Ground invite you to compete in the third edition of the Caesar Guerini Trap Challenge on the 5th May – 7th May 2023.

Schedule:

Friday 5 th May 2023	Saturday 6 th May 2023	Sunday 7 th May 2023
100 UT	100 OT	100 ABT + Super Final
<i>The competition is ex 300 Targets</i>		

Changes for 2023:

- The previous two years, the classifications have been issued as per the 'Trap All Round', shooters took their highest class out of the three disciplines. *For example, if you were B class for OT & ABT but A Class for UT, you shot in A Class for the full competition.* **However**, for 2023, due to demand, the Caesar Guerini Trap Challenge **will be** CPSA registered. Therefore, shooters will shoot in their registered class for each discipline and will have a registered score ex 100 for each of the three disciplines. Prize money will be distributed after each registered rather than ex 300. To be eligible for the Super Final & category prizes all competitors **must** shoot all 3 days/disciplines.

Super Final:

- To be eligible for the Super Final you must shoot all 3 days/disciplines
- The Super Final on Sunday evening will consist of High Gun of each day/discipline:
 - High Gun of Friday 3rd June – UT
 - High Gun of Saturday 4th June – OT
 - High Gun of Sunday 5th June – ABT
- Ties for High Gun of each day/discipline will be shot 'miss and out' (single barrel) on the shoot-off layout at the end of each day.
- If shooters are not on-site for the shoot off, they forfeit their place in the shoot off.
- In the Super Final on Sunday, the three shooters will shoot a round of 25 targets, full use. If still tied after 25 targets they will shoot 'miss & out' (single barrel.)
- If a shooter wins two disciplines resulting in two people making the Super Final, the third-place prize will be split.
- The discipline (UT, OT or ABT) the Super Final will use, will be drawn randomly before shooting commences on Sunday 5th June.
